# INNOVATION

# CRAFTSMANSHIP

*At Prism Hardscapes, our commitment to bringing the best of design and innovation together has led to the creation of outdoor living spaces that inspire and delight. Experience the great outdoors like never before with our innovative products designed to enhance every aspect of your outdoor living space. From cutting-edge technology to forward-thinking design, our solutions are tailored to elevate your outdoor enjoyment to new heights. Whether it's creating ambiance with fire features or maximizing comfort with state-of-the-art furniture, our commitment to innovation ensures that your outdoor sanctuary is both functional and unforgettable.*

*Prism Hardscapes creates dependable and custom outdoor living products to help bring your ideas and vision to life. Breaking ground on a new project is key, but planning ahead is crucial. This means selecting products in different colors, shapes and sizes that will create the ideal outdoor living space to fit your lifestyle and vision. Let Prism Hardscapes help get you there.*

# TECHNOLOGY

Prism Hardscapes is on the cutting edge of the newest technology. Led by elite engineers, Prism Hardscapes has developed multiple ignition options for fire features. The PH-Ignite auto-ignition system is what makes starting fire features easy, safe, and convenient. The battery spark ignition is a more cost-effective way of starting things up without the need of a match. Prism Hardscapes also proudly features its propane tank enclosed units which conveniently hide away unsightly propane tanks out of view.

# MARKETING

Prism Hardscapes knows that presentation is key when it comes to selling its products. As a great partner, Prism Hardscapes has developed several ways to sample its products to help people visualize our products in real spaces. Nothing is better than the real thing, and Prism's Samples Department is instrumental in connecting potential customers to our products.

Coastal

Ultra

Pewter

Ebony

*Rounding out the Classic series are a few designs that serve as the core of the Prism Hardscapes product offering. Prism Hardscapes is not afraid of pushing the envelope when it comes to more unique designs and designs like the Piazza, Elevate, Triton, Pebble, and Cilindro are a key to that philosophy.*

DESIGNER  
COLLABORATIONS

*Prism Hardscapes has teamed up with forward-thinking designers to bring modern, cutting-edge designs to the marketplace. New and distinct design elements will be the key feature for these new products that are sure to be a beautiful addition to any outdoor lounge space. Explore the creations that have resulted from the collaboration between Prism Hardscapes and some of the top creative minds in the outdoor living space industry today.*

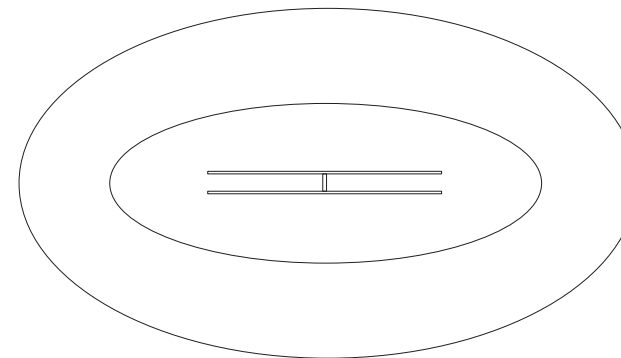

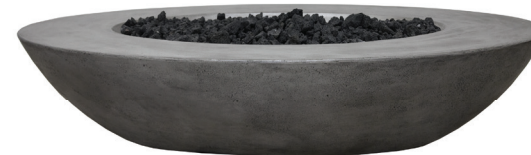

# OVALE
